1:1 Device Student/Parent Agreement Checklist

Please complete a separate form for EACH of your children.

<i>Check the box on the right if you have completed the item listed.</i>	<i>Student</i>	<i>Parent</i>
I have read and will comply with the Hudson Area Schools 1:1 Device Policy Handbook		
I have read the Google Apps for Education/Apple Parent Account Procedures. I understand that my child will have an email account and a user account.		
I have read and agree to the Student Pledge (on the back of this form).		
I agree to purchase insurance at the cost of \$20 per device (non-refundable) so that my child will be able to take a device home. Please send the \$20 separately with each child, instead of one lump sum, as this will help speed up deployment time tremendously. Devices are to be returned undamaged and with the charge cord.
