

College/University Specific

College/University Specific Scholarships

*Listed below are specific scholarships associated with a particular college or university. These scholarships have deadlines and may require a completed application. In addition to those listed below, many colleges (public and private) offer automatic academic scholarships awarded when a student is admitted to the college. These automatic scholarships are normally based on ACT or SAT scores and cumulative GPA and do not require an additional application. Scholarships in fine arts, leadership, legacy etc. may be available in addition to scholarship days and competitions. **Check the financial aid/scholarship websites of the colleges/universities that interest you or call their admissions office to discover more scholarship opportunities!!**
